

DELHI PUBLIC SCHOOL BANGALORE NORTH - PROSPECTUS 2026-27

(NIOS CURRICULUM)

NIOS Accreditation No. – AI080022 & O08025

Delhi Public School Bangalore North stands as a beacon of educational inclusivity and adaptability and exemplifies this commitment by offering the National Institute of Open Schooling (NIOS) curriculum, which grants flexibility in educational plans for students. As an accredited study centre of NIOS, our school provides courses at the preliminary (OBE), Secondary and Senior Secondary levels and a sneak peek at the facilities provided by our institution is given below:

NIOS at DPSBN allows for flexible schooling where students can pursue their interests at various academies (sports/ dance / theatre / music/ art). Extra support in terms of study material will be provided. The students will be given flexibility in attendance.

NIOS at DPS Bangalore North

- Flexible Learning: Students can choose their own pace and schedule for learning.
- Subject Selection: Students can select subjects of their choice, allowing for a more personalized learning experience.
- Examination Schedule: Exams are held at periodic intervals, giving students the flexibility to prepare and appear for exams at their own pace.

Infrastructure

- Spacious Classrooms, well-ventilated and equipped with Smart Board.
- Science, Computer and Language Labs to facilitate hands-on learning for the STEM ENTHUSIAST.
- Library: A vast collection of books, journals, and digital resources.
- Sports Facilities: International level set up of Tennis Court, Playground, basketball court, and other sports facilities to promote physical fitness.
- Cafeteria: A hygienic and well-maintained cafeteria serving nutritious food.
- A well-equipped infirmary with a full-time nurse and doctor on call, ensuring the health and well-being of our students.
- Guidance and Counselling from Department of Counselling and Special Educators
- Bus Facilities: We provide safe and reliable bus transportation to our students. Convenient pick-up and drop-off points making it easy for students to commute to and from school.

Faculty

- Highly qualified and experienced teachers with expertise in their subjects.
- Teachers adopt Student-Centric Approach focusing on individualized attention and guidance.
- Teachers undergo Professional Enrichment Programmes on a regular basis to stay updated.

Accreditations and Affiliations

- DPSBN is a recognized study center for NIOS BOARD.

NIOS Exam Flexibility for Aspirants of Sports and Other Fields_

- NIOS exams can be taken at flexible dates, allowing students to balance their academic and extracurricular commitments.
- Students who have already passed exams in specific subjects can be exempted from taking those exams again.
- Students can appear for exams twice a year, choosing only 2 subjects each time, allowing for focused preparation and reduced exam stress.

OBE STREAM (Open Basic Education)

We offer OBE programs from Grade-1 to 10, providing students with access to quality education and skills training. Our OBE programs are designed to help students develop basic literacy and numeracy skills, as well as vocational skills.

Success stories

Many of our NIOS students have secured place in renowned institutions and organizations in India and abroad. Our students have also excelled in various fields, including sports, music, and art.
